# Signature Program for over 10 years

## Story Telling Program

- Launched in 2010 until now
- This program is a cross-sector, cross-ethnic, and intergenerational mutual assistance community network. The network involves professionals and volunteer teams from different sectors and institutions, maximizing social capital, earning the title of "Star Storytelling Program." Star volunteer partners: HK Disneyland/ CLP/ Regal Hotel/ Mansion Global Limited & many other Corporates partner...
- From 2010 to 2022, the program has directly benefited closed to 40,000 families and accumulated over 32,000 volunteer hours.
- ▶ Life impacts life in a sustainable way, there are many service users has become our volunteers and leader of volunteering over the 10 years of service in this community

# Volunteer Sharing

## Ms. Chan Choi Ngo 陳賽娥女士

- ▶ A service user also a service contributor, Mrs. Chan Choi Ngo, who started as a service user, later became a volunteer at OIWA. She is regarded by OIWA's colleagues as a thoughtful and selfless volunteer. Even on public holidays like the Chinese Lunar New Year/ Easter holiday etc, she always ready to help in emergencies...

# Volunteer Sharing

## Ms. Hui Ping Huo 許聘和女士

- ▶ One of the service users in OIWA, she is also a senior volunteer who has provided volunteer services to the residents of Tung Chung for over 15 years. She was the volunteer responsible for taking care of Mrs. Chan Choi Ngo's daughter in the past. Besides her volunteer service, she is now participating in activities of the Mental Women's Health Ambassador Program, sponsored by the Kerry Group Kuok Foundation and the Department of Family Medicine & Primary Care of the University of Hong Kong.

Facing various social needs and problems, we need to strategically develop community service programs that are long-term and sustainable.

面對種種社會需要及問題，我們需要策略地制定能長遠及可持續的社區服務計劃。
