Family Medicine Lunch Lecture
December 15, 2008
Family Medicine Unit, The University of Hong Kong

Topic : "Internet Resource and basic search techniques".

Speaker: David Chan, MD, CCFP, MSc, FCFP, Associate Professor, Department of Family Medicine, McMaster University, Hamilton, Ontario, CANADA

Learning Objectives:

1. to learn to assess the quality of the data sources available on the Internet,
2. to learn the different search engines specific to each of the data source you decide to use, and
3. to learn and sign on to at least one free web-based book-marking or content management system
